Dear valued customer,

Due to a declining demand on our phototransistor product line, we have come to the decision to offer a last time buy on most of the part numbers currently offered. While this was not an easy decision, the reduction in volume and increasing demand in other areas of our business has forced us to move in this direction. Please let us know how many units you will require, by the dates below, as part of this last time buy offer. We will do our best to comply with all requests and quote these accordingly.

While we know this will cause disruptions in your manufacturing, we hope that through this last time buy offer we are able to reduce this to a minimum. Please reach out to the contacts below in Sales or Customer Service with any questions or concerns regarding this notification.
