Product Change Notification

We are writing today to inform you that we will make some changes as shown in the subject for the reason described below.
We will announce them in advance.

1	Products affected	Please refer to Attachment 1.
2	Replacement product	Please refer to Attachment 1.
3	Classification of change	Product specification change
4	Changes	We will change the shape of the housing and end plate. Please refer to the attachment 2 for details. <u>These changes will not affect the performances of the product.</u>
5	Reason for change	This is so that the newly developed hybrid type and the existing push type can be connected. Also, the end plate can be attached to both the hybrid type and the existing push type.
6	About product combinations	The current product and the substitute product cannot be linked. Also, please note that the current product end plate cannot be attached to the substitute product. Please refer to Attachment 3 for details.
7	Date of final reception of orders for the current product	November 30, 2021
8	Date of the first reception of orders for the replacement product	August 2, 2021
9	Date of final shipment of the current product	May 31, 2022
10	About the sample	Submissions are possible after July 30, 2021.
11	Date of your acknowledgement	By September 30, 2021

We kindly request that you inform Hirose business representative of your acknowledgement by the aforesaid date.

In the absence of a response by this date, please be advised that replacement product that described above will be delivered.

If you should have any questions, please feel free to contact a Hirose business representative.

Your understanding and cooperation are highly appreciated.
