

Product Discontinuation Notice: Automotive (XA) Spartan-3/-3E FPGA PQ(G)208 Package Products

XCN14023 (v1.0) August 18, 2014

Product Discontinuation Notice

Overview

The purpose of this notification is to communicate that Xilinx is discontinuing Automotive (XA) Spartan®-3/-3E FPGA PQ(G)208 package products. This product discontinuance notice (PDN) applies to both Automotive (Q) and (I) temperature grade products.

Description

Xilinx assembly supplier is discontinuing the assembly line that manufactures PQ(G)208 packages for Automotive (XA) Spartan-3/-3E FPGA products. The volume demand on these mature devices has gradually declined over the years; therefore, Xilinx will not re-qualify a new material supplier for these affected devices. There will be no replacement part and customers are required to place a last time buy to support their lifetime demand.

This notice should be used in conjunction with previous discontinuance notices which can be found at Xilinx.com.

Products Affected

The products affected include all standard part numbers and specification control document (SCD) versions of the standard part numbers listed in [Table 1](#).
